Graphic Design Internship

Innovative, fast-paced startup company growing rapidly. We are looking for a motivated individual for our Graphic Design Intern position. The intern is expected to have an understanding of the graphic design and strong critical thinking skills. Core responsibilities of the internship includes creating promotional content using Adobe Creative Suite, improving our site's UI and more. You will grow your skills and build your portfolio while gaining invaluable graphic design experience.

This position will be approximately 15-20 hours per week and run from mid May through late August. This internship is designed to be credit eligible. Alternative hours may be discussed depending on the applicant. Work hours are a combination of in person meetings and individual work.

Responsibilities

- Independently create advanced graphics for use on our platform and marketing-efforts
- Provide creative design for print and online media
- Use design to communicate key messages; elevate and add value to content
- Effectively translate branding and marketing strategies into exceptional creative concepts and executions.
- Continuously update company website with new content
- Support the brand by creating infographics based on platform usage
- Prepare digital files for a variety of print media
- Work with our printing vendors to ensure professional quality production
- Design and update graphics for marketing emails

Requirements

Students applying for this internship should be majoring in graphic design and/or related field. Applicants should be fluent in the Adobe Creative Suite including Illustrator and Photoshop with demonstrable experience with graphic design. Animation skills are a plus. This person should have excellent verbal and written communication skills Applicants should be comfortable working in a team.

Interested candidates should contact Drew Lang at Andrew.Lang@OmegaNotes.com for more details.
