

Frequently Asked Questions

Do I have to be a student or employed by Penn State to use the space?

Nope. The space is open to anyone.

We have people in the community use the space as well as visitors traveling through the area. All are welcome.

Is there a cost to co-work at the LaunchBox?

Nope. Anyone looking to work on a business can work here at no cost. Even the coffee is free (thanks to Sheetz).

What are the hours of operation?

When we open back up, anyone can come in Monday through Friday from 8:30 – 4:30. No appointments needed.

Can I have a private meeting?

Yep, we have 2 conference rooms that hold between 6-12 people each that can be reserved in advance once we're back open.

If you have a bigger meeting, you can reserve both conference rooms (there's a moveable wall). Just talk with Jason at the front desk and he'll make it happen.

Can I have after-hours access?

All startups participating in our FastTrack Accelerator program, automatically receive 24x7 access to the space for 1 year. We've also extended after access local businesses and organizations that support entrepreneurship and startups on after hour events.

Once we're back open, we'll check with us on what you are planning.
